Anyone want to join the party or have anything in particular you'd like me to convey?
 Paul.

I think you should. See if Doug, Mike, and Bob are okay with being represented by you or want to send their own people as well or give you updates. With regard to anthrax, I assume Al is happy for you to handle Wastewater issues on that and other hazardous materials.

Maria Guccione, Deputy Director Public Safety - Mayor's Office of Operations (212-442-7001/7999), contacted me with a request from Tom Tisdale, County Fire Chief, to meet with representatives from several City agencies (Mayor's Office, FD, PD, OEM, DOH, DOS, OCME, HRA and DEP) to discuss the response to 9/11. DEP was requested to participate in the environmental health section the specific request is as follows:

(excerpted from letter, I have a full copy of the letter if you would like to see it...)

...
Environmental Health:

Riverside Co. Reps:

*Gary Root, Director of Environmental Health
 Earl Tuntland, Assnt. Environmental Health Administrator*

Requested Audience:

*DEP
 BWSO
 OEPA (I don't think they really need someone from OEPA, HazMat might be a better choice to answer their questions)
 FDNY - HazMat Division
 DOS
 DOH*

Discussion Topics:

*Food - Retail Operations and Disaster Provisions
 Water Supply
 Sewage Disposal
 Vector Control
 Refuse/Debris Disposal
 Housing
 HazMats
 HazMat incidents related to the response to the towers and ongoing HazMat issues
 Anthrax incidents - How they were dealt with (testing, decon, re-occupancy criteria, cost and cost recovery)*

The meeting was set for March 12 at 1:00 PM at DOH, 125 Worth St, Rm 336 (Ben Mohica's Conference Room).

Maria G. asked me to get back to her. Whom would you like to attend this meeting.
