Subject: RE: NEED TO INVITE NYCDEP TO 4 MEETINGS WITH GROUPS

Hi guys:

I have already communicated this to Bob, as he emailed me directly earlier today, but the 10:00 am meeting with FECS originally scheduled for TOMORROW is postponed until next week sometime. I will let you know when it is re-scheduled. The two meetings that are confirmed are the 2:30 TODAY meeting with 911 EA and the 1:00 pm tomorrow with some of the heads of the tenants associations. Joel Kupferman (tentatively 3:00 tomorrow) has not called back (I have left a number of messages).

Geoff:

We have scheduled a number of meetings in the next few days with outside

groups regarding the WTC. Bob A. agreed he'd go to the one tomorrow with 911 Environmental Action, but we didn't give him a time/place.

He

also committed to sending someone from DEP to all of them. I have several calls into Charlie, but I know he's tied up, so I am forwarding

the information to you. I know you're gig is press, but can you pass this along to Charlie?

Thursday at 2:30 - 3:30 in Kathy's conference room on the 25th floor,
we

will meet with 911 EA - Sidhir Jaine and about 10 others. I note that they handed out leaflets today and are not satisfied with our cleanup program.

Friday at 10:00 -- 11:00 am in Kathy's conference room on 25 we will meet with Courtney Hawkins from FECS and a number of scientists.

Friday at 1:00 pm - 2:00 pm in Kathy's conference room on 25th floor
we

will meet with a number of tenant organization heads (no names yet).
Friday at 3:00 pm we have a TENTATIVE meeting scheduled with Joel Kupferman and friends.
