Subject: Logistics for today

Hello all -

We are meeting in the Blue Room in City Hall, which is on the first floor. However, I think it makes sense for you all to come to the second floor entrance instead so that you won't have to wait outside the police desk with everyone from the LMDC advisory groups. Sound OK?

When you enter City Hall, go up the stairs in the rotunda instead of to the left. Once upstairs, take a right and head to the guard there. I will leave everyone's name at the door. Once inside, please wait for me and I'll come get you.

See you later,
Laurel
