While you may be putting this package together for EPA, I would like the following:

copies of the 4 winning bids for the indoor remediation

copies of the 4 winning bids for the air monitoring

the indoor remediation specs

the contract(s) with the monitor for the job

Inter office mail will be fine addressed to me at 2 Lafayette St., 17th

Yesterday, we were unable to conduct the walk through at Independence plaza because two of the residents canceled. We have rescheduled the walk through for Sunday Sept 1, 2002. I will keep you informed.
