Subject: hotline vendors

Ron--DEP is interested in seeing a copy of the RFP we circulated last year that resulted in DOH hiring the firm in PA that handled our WNV hotline. DEP wants to know how to go about recruiting a hotline vendor.

Please copy Mike Gilsenan (DEP) on your reply. Thanks, Jim

Subject: 90 Gold St

I spoke with the managing agent for Southbridge Towers (Ms D'Egidio) re the apartment at 90 Gold St with >1% asbestos on TEM in the ATSDR study. She understands why a DEP inspection is needed and will try to arrange access with the current occupant (which I requested for tomorrow if possible).

Mike--What's Krish's email address?
