Ben -

Attached are three files containing about 1/3 of the "pre" results recalcultated according to the TEQ specifications you requested. As I get more this afternoon I will email them to you. Note that the "-" on two of the reports indicates "less than" not negative values. Thanks! Fred
<<R02090951 revised TEQ Report.xls>> **<<R02090971A revised TEQ Report.xls>>**

<<R02090971B revised TEQ Report.xls>>
