Robin Levine asked me to tell you that we spoke to Jay Cohen in the World Trade Center Unit of the Law Dept. (212-676-9219). He said he will have some Law Dept. attorneys come out and look through your file cabinets re above appeal by Mr. Joel Kupferman. Robin asked that each of you call Jay Cohen as soon as you can and tell him when it would be convenient next week for his attorneys to come out, and also, please inform him how many file cabinets you have.

Thanks for your help.

Thanks for the information. I want to let you know that Safeway Env. will under no circumstances be allowed in our building. They are responsible for a theft when they went through the building the last time, and they have not responded to my requests for reimbursement.

Thank you,
 Dave Stanke
 114 Liberty Street.

DEP will shortly begin using the new Citywide bidder/proposer lists as opposed to DEP's own bidder/proposer lists. In addition to DEPs central "official" bidder list, most Bureaus maintain their own bidder lists. These Bureau lists are used for the most part to provide bidders where this is no central DEP list, and as a supplement to bidders on the central DEP list. Please provide me a complete listing of your BUREAU bidder/poposer lists with names, address, phone numbers, and where available, EINS and VENDOR CODES. My office will inform each bidder/proposer of the steps to be taken to apply to be on the CITY's bidder/proposer list.
