 Urgent!

Hi Chris,

I spoke to Mike Gilsenan from the DEP today and he has not yet received your report on the mold problem at 125 Cedar St. The DEP needs your findings and recommendations on how to eradicate the mold so that they can complete the scope that is being written for the cleaning of our building. They would like the cleaning to began mid Aug.

Would you please contact Bob Gilsenan at the DEP as soon as possible. His phone # is 718-595-4418 and his email is Michaelgi@DEP.NYC.GOV.

Thank you for your immediate attention to this matter.

I have reviewed the letter from Mr. Ward to Ms. Kenny. The scope of work A would not constitute an asbestos project as defined in The NYC labor law and ICR 56. Thank you.
