Cleanup Request Count Information

EPA has divided lower Manhattan into four quadrants to facilitate management of the R Assistance Program. These quadrants follow postal ZIP code boundaries ([view map](#)) and population size. The table below shows the number of residences to date that have regist may request cleaning and testing or testing only, reimbursement for a HEPA vac and/or : Requests for assistance are also shown by ZIP code and by quadrant. The table updates e are registered.

Note: The "Whole Building Count" is the number of buildings where building owners or tenant association representatives have requested that cleaning within the building be co building coordination does not mean that every residence in that building will necessaril voluntary program and each individual residence must submit an individual request and and/or testing. This request may be made via this Web site: <https://nyrpub.epa.gov/NYR> or by calling EPA's WTC toll-free hotline at 1-877-796-5471.
