has anyone replied to this yet? If not, I will. The reply will be that this is not Public Solicitation, but rather an Emergency procurement which is being offered to a bidder list established specifically for this procurement. I'll need a rationalization form BEC to explain the composition of the bidder. If this has already been done while I was out for two days, oh well. please let me know either way. Thanks.

Message: The USEPA tells me that they have worked with your department to put together specs for cleaning 250 bldgs in the WTC area; all employees must be 40 hr trained, respirators, etc. I am Vendex approved, SCA approved, etc. and cannot find out anything about it. It is supposed to be out for bid. I have made a lot of calls and no one seems to know anything about this. Please let me know where I can find these specs. No, it is not advertised on the City Record. Thanks!
