Subject: Air Monitoring Tech Course
Importance: High

All Asbestos Analysts are required to attend the Air Monitoring Tech Course scheduled for April 17th and 18th, 2002. The course will be held in the low rise building, 6th floor Conference room from 8:30am to 4:30pm. It is imperative that the Analysts attend and complete this training in order to obtain the licenses required by NYS for conducting air monitoring in New York.

I noted it on Diana's schedule as tentative. Let me know when you get confirmation.
 Thanks.

Nellie,

FYI. I don't see Diana's name, but want to let her know if she's interested in attending.
 Bob will be going. Mike will be attending the EPA meeting in the morning.

Hotline call volume is down today relative to day 1.
Could we try to increase the hotline's visibility by
placing ihotline phone number on OEM, DEP, and DOH websites?
