See e-mail below from 02/06. I'm still awaiting the overtime waiver requests for the below listed employees and for Harry Mayer. Please submit to Carlos as soon as possible. Thank you.

While this authorization will enable these employees to immediately start earning paid overtime, I still must have approved wavier requests for submission to OLR (20% or less) and the Mayor's Office (more than 20%). Thanks.

It is necessary that we request emergency overtime waiver approval for the following employees

Carlstein Lutchmedial - 50%
 Barbara Raffo - 20%
 Innocenzo Catanzaro 50%
 Kim Hanna - 50%

Mr. Lutchmedial and Ms. Raffo are critical to our ongoing efforts in resolving issues still outstanding from the World Trade

Center disaster. They are preparing for public hearings, working with EPA in the continuing air monitoring efforts as well as asbestos inspections.

Mr. Catanzaro and Ms. Hanna are overseeing all of our Hazardous Materials operations in the absence of the Director, which may be extended.

An emergency approval of these waiver requests would be greatly appreciated.

If you require any additional information, please let me know.
