**MEMORANDUM REGARDING LAW DEPARTMENT WORLD TRADE
CENTER UNIT EVIDENCE COLLECTION PROJECT**

The World Trade Center (WTC) Unit at the New York City Law Department must collect all World Trade Center related materials created as the result of the terrorist attacks of September 11, 2001, and the resulting rescue, recovery and cleanup efforts, from all City agencies. The Law Department must do this to ensure that it has all the information it needs to protect the City's interest in pending or potential litigation and other matters associated with the World Trade Center attacks and the recovery effort. The law requires that this information be properly preserved as potential evidence in WTC-related litigation, so DEP's cooperation in this effort is essential. A group of WTC Unit attorneys and paralegals will be collecting WTC-related materials, both paper and electronic, from DEP over the next two months.

The WTC Unit needs you to fill out the attached questionnaire regarding your WTC-related activities and information. Based upon your response, members of the WTC Unit may contact you to schedule an interview to ascertain what documents and electronic data you have and where they are located. Most interviews will not exceed one hour.

The interviews will not be recorded in any way and you will not be required to retrieve or review documents. The WTC Unit intends to collect all important documentation and electronic information with the least possible interference to anyone's work schedule.

Please complete and return the attached questionnaire to John Philip, the WTC Unit's
 "DEP Task Force Liaison" no later than ~~Wednesday~~ ^{Friday}, ~~October 27~~ ⁹, 2004, at

jphilip@law.nyc.gov. A representative of the WTC Unit will contact you by shortly if they
 need to schedule an interview. Thank you again for your cooperation in this endeavor.
