Dear Mr. Farag:

In response to your letter dated July 6, 1987, I've discussed each of the items with our consultant, Parsons Brinckerhoff, Ahmet Gursoy, and with the exception of Item # 15, I am sure that a mutual resolution can be achieved on all items. Mr. Gursoy advised that a number of these things had already been addressed and apparently were reiterations from earlier correspondence.

On Item #15, Easement and Maintenance Agreements, will you please advise whom this subject should be addressed to, if other than yourself and I will have our Legal Department contact you accordingly to ascertain exactly what is needed.

Sincerely,

A. E. Shaw, Jr., P.E.
