

THE CITY OF NEW YORK
DEPARTMENT OF ENVIRONMENTAL PROTECTION
BUREAU OF SEWERS
INTER - OFFICE MEMORANDUM

DATE: April 8, 1987

TO: MAGDI FARAG, P.E., CHIEF, DIVISION OF SEWER REGULATION AND CONTROL
FROM: DOUGLAS SMITH, P.E., ACTING CHIEF, ENGINEERING REVIEW SECTION
SUBJECT: WESTSIDE CONNECTION PROJECT, NORTH ACCESS TUNNEL FROM W. 33RD ST. TO W. 38TH STREET, BOROUGH OF MANHATTAN

This office has received "60 %" submission drawings for the above referenced project from Amtrak with a letter dated March 24, 1987. These drawings show a proposed siphon in W. 33rd Street. It has been the policy of this Bureau to avoid the use of siphons.

Please indicate if the concept of the proposed siphon is acceptable to the Bureau.

SUBJECT: Westside Connection Project
New York, New York
North Access Tunnel Project - 60% Submission

Dear Mr. Farag:

Enclosed for your review and comments is one set of the 60% Submission of the Contract Documents and two sets of the sewer relocation design drawings for the subject project.

Please review and return your comments to Amtrak with copy to Parsons Brinckerhoff no later than Tuesday, March 31, 1987, using the attached Design Review Comment Sheet for this project. If there are no comments, please return a Comment Sheet marked "No Comment".

The Design Review Meeting will be held at Parsons Brinckerhoff's office on March 31, 1987 at 10:00 AM to review all comments and progress of the project.
