RE: Battery Park City, Marginal Street Modifications, Liberty Street to Chamber Street, Borough Manhattan

Dear Mr. Monte:

This is in reply to your letter dated October 15, 1987 with which you submitted three (3) sets of plans for the above referenced project.

Please be advised that sheets Nos. 1,2,3, & 8 are approved.

Please advise Mr. Carlton Hinds, P.E., Chief, Private and Other Agencies Inspection Section, Bureau of Sewers, 40 Worth Street, New York, NY 10013, Telephone #(212) 566-6032, at least fifteen (15) days before commencing construction. After completion of work, submit one (1) set of as-built drawings on three (3) mils mylar for our records.

Very truly yours,

MAGDI FARAG, P.E., CHIEF
Division of Sewer Regulations &
Control, Bureau of Sewers

Chel

Re: Battery Park City
Marginal Street Modifications
Liberty Street to Chambers Street
Borough of Manhattan

Dear Doug,

This is in reply to your September 10, 1987 letter in which you recommend that a new catch basin be constructed upstream of the crosswalk at Vesey Street. We have modified our drawings accordingly and are forwarding a set for your review.

Please let us know if you need anything else.

Cordially,

Pat C. Monte
