Re: WTC #7 Con Ed Transformers**

Department of Design and Construction
30-30 Thomson Avenue
Long Island City, NY 11101

Attn.: Robert Adams
Project Safety Director

Gentlemen:

Turner is currently removing the transformers from WTC #7 as general debris. We are proceeding in this manner since there is no evidence of oil left. If the oil was contaminated it is gone. I would surmise it burned in the fire.

Very truly yours,

TURNER/PLAZA A JOINT VENTURE

Gary J. Negrycz
Senior Project Executive
