✓ Mr. Martin Schneider		

Message

Attached please find Silverstein Letter dated 06-01-98 approving SHCA's design sketches for the "Protective Wall". Per the approval letter, please specify and budget a water detection system for the cavity between the exterior wall and the 'protective wall'.

Should you have any questions, please call.

If there are any problems with this transmission, please call (212) 219-6716
