SHCA is in receipt of comments by DCAS/DRES by Mr. Ramos dated 04-20-98 and received 04-21-98. Unless OEM comments have been incorporated into the DCAS comments, we are not in receipt of any comments from OEM. We understand from OEM that they will be issuing their comments by end of today 04-22-98. Until such time SHCA is in receipt of these comments and have had an opportunity to evaluate them, SHCA cannot commit to the May 4, 1998 re-issue date. In addition, OEM has indicated that their comments include possible scope revisions which are tenant/landlord related and not architectural/engineering related comments to the drawings.

In our preliminary review of the DCAS comments, SHCA would like to review and clarify a number of comments. We will contact Josep Dominguez-DCAS directly to arrange a review meeting.

Upon receipt of all tenant comments, SHCA recommends a meeting to review and resolve any comments which are outside of the original program and scope of work.

Should you have any questions, please call.

If there are any problems with this transmission, please call (212) 219-6716
