7 World Trade Center - 23rd Floor
LAN / Head-End Room Layout**

Attached Please find the final LAN / Head-End Room layout. Please send a written sign-off to SHCA by the end of the day Wednesday, March 18, 1998. OEM / DoITT shall be responsible for the approval of Teleport Communications Group (TCG), Bell Atlantic (BELL) & Winstar (WIN) rack location and layout.

Failure to do so will cause a delay in the April 6, 1998 Construction Document Issuance. SHCA and Project team cannot proceed with Construction Documents without this approval.

If you have any questions, or need any further clarification, please call me as soon as possible.

Thank You,

Joseph Aliotta
