\$560,000 is to be deregistered ASAP so they can purchase furniture with it.

32-02 is a rush as the Landlord has already completed the work and wants to be paid! we will get you a scope asap

How much did you want to de-register from the OEM contract with 7 WTC? Bob gave me the figure but I lost it.

Also, I have to set up a new subproject for the NYPD job at 32-02 Linden Pl. before Grace can register the contract. Do you have a scope of work for this project?

If you have any other scopes/descriptions for new FY99 projects I'll gladly take them & set up new subprojects now, which should speed up future registrations.

Thanks,
