Furniture Manifest
May 1, 1998

NOTES:

1. BFI is responsible for quantities on this document and items on Furniture Manifest dated: March 30, 1998.
2. Quantities are based upon plan submitted to BFI by SHC dated: March 26, 1998.
3. All information pertaining to model numbers and specifications for miscellaneous furniture is based on SHC Furniture Specification dated: March 27, 1998.
4. Specifications are based upon non-dimensional furniture plans provided by SHC. All critical dimensions need to be field verified by the architect.
5. See Geiger Brickel drawings for special casegoods details and grommet placements.
6. Pricing for furniture covered under a City of New York Contract was provided by the vendor of record, as noted in this document.
7. Pricing for Non-Contract items is provided by BFI, and pricing is good through June 30, 1998.
