Re: Furniture Catalog and Cuts for Non-contract Items at OEM

Dear Mr. Dominguez:

I have the catalogs for the following non-city-contract items:

Howe computer table, cpu dolly, and monitor clamp;
KI / Roomscape bunk beds with task light and bed shelf;
Van San lecturns;
Nienkamper / ICF conference tables and credenzas

Please note that there is no catalog for the **Mason-Art** sleeper sofas. These are custom sofas to which the overall dimensions must be kept (overall width and length of beds and mattresses are crucial to insure a comfortable fit within the respective spaces).

If you have any questions, or need any further clarification, please contact me at your earliest convenience.

Sincerely,

SWANKE HAYDEN CONNELL ARCHITECTS
