Re: Purchase of Equipment

As per a review of the security needs, I am submitting this request for the purchase of the following equipment necessary to ensure proper security for this agency.

1. X-Ray equipment consisting of :

SYS -222 EG&G Astrophysics System

Includes standard imaging enhancements. 1 year parts and labor warranty

Service: Includes installation with State required cabinet survey, and interlock test. System operation training, and object recognition training. Shipping to customer location.

2. Video badging equipment including:

WiniVS badging software
Custom badge design software module
Software image compression
Audit trail
WiniVS manual
On line help
Direct print badge printer
Supplies to creat 200 badges

For your information and attention.
