Dear Richie:

Attached find a memo from Donald Stanton confirming that the price of \$553,070 for Motorola's proposal to install and furnish two new Radio Network Controllers in 11 MetroTech is fair and reasonable. Please process the order as soon as possible.

If you require additional information, contact me at (718) 999-2064 or Assistant Commissioner Donald Stanton at (718) 999-1722. Thank you for your immediate attention to this request.

Very truly yours,

ROY F. KATZ
Assistant Commissioner
