Re: Mayor's Office of Emergency Management
7 World Trade Center, New York City

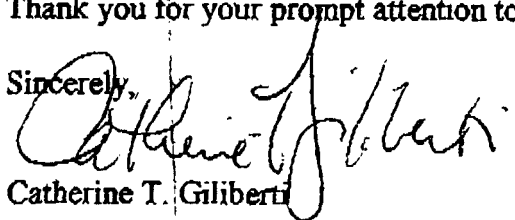

Dear Mr. Ramos:

As a follow up to our recent meetings concerning the attached invoice, please be advised that unless we receive payment in the amount of \$2,000,000.00, we will be unable to process any further change orders on this project.

As you are aware, as of June 28, 1999 a fuel connection to the generators has been completed and tested allowing the generators to operate according to specifications.

Thank you for your prompt attention to this matter.

Sincerely,

Catherine T. Giliberti
