Complying WITH your request we are submitting our proposal to furnish and install all materials and labor for the complete installation of TRACK-TEX Wall Upholstery in the following areas.

If you wish us to do the work, please return a signed copy of the proposal along with a deposit which represents 50% of the total installation cost. We cannot start the job without receipt of the signed proposal and deposit. If you require additional information from us to initiate the job, please let us know.

It is recommended that fabrics used for Wall Upholstery, especially natural fibers, be pretreated with TEX-SEAL Stain Repellent, to help prevent oil, grease or water born stains.

We look forward to working with you and are confident you will be satisfied with the high quality of our installation.

This proposal is for 1" Track-TEX site fabricated wall panels in the quantities and locations listed below.

The following fabrics will be used. If fabrics are to be supplied by others, the required quantities are listed under column (COM):

Fabric Number	Manufacturer	Description	Yds Required (COM)
F-1	Design Tex	Dalmation	6320-104

The panel will be 1" thick (W) and have a substrate of fiberglass (K).

The track detail will be square.
