From: Jerome M. Hauer Director, OEM
Subject: 7 WTC 23rd Floor
Date: August 26, 1998

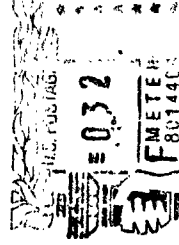

Please include the installation of ballistic doors on both sides of the twenty-third floor main entrance lobby. These items were called for in the original plan and I would like them reinstated. I would also like to install a Mosler window for main entrance package deliveries. This window will have to be measured and ordered to size. Please inform me of our options.
