Hurricane Wall

Dear Mr. Weems:

We are pleased to submit herewith our budget estimate to construct the "Hurricane Wall" in accordance with Swanke Hayden Connell Architects' fax message of 5/27/98 for the sum of FOUR HUNDRED SEVENTY THREE THOUSAND EIGHT HUNDRED SEVENTY DOLLARS (\$473,870.00):

SCOPE OF WORK

This budget estimate is for changes in the walls over and above the original walls shown on Addendum 1 drawings dated 5/15/98. We have included the appropriate credits for the original carpentry and drywall, hollow metal, hardware and special doors which were part of our original quotation. Our original quotation had included \$8,500 for waterproofing between the curtain wall and the hurricane wall, this value has not been affected by the change.

The trade value breakdown is as follows:
