A Guide to Your Monthly Nextel Statement

Your Monthly Nextel Account Statement is organized into the following sections:

Your Monthly Account Statement	The first page of your bill summarizes your payments, new charges, and amount due. <i>Nextel News</i> will give you information about products, features, and promotions. Use the remittance slip at the bottom of the page to pay your bill. Use the reverse side of the remittance slip to pay by credit card or to change your billing address.
Your Nextel Account Summary	The account summary is a tool to help you quickly see monthly charges for each user. The summary shows the user's name (if available) and mobile telephone number. It also provides the user's access charges and breaks out usage charges by product or feature such as Telecommunications Services, Text and Numeric Paging, Wireless Web, Nextel Direct Connect and associated Taxes, fees and assessments.
Nextel Direct Connect Summary	Refer to this section for information on Nextel Direct Connect private and group call charges, including billable group call duration and usage, by number of participants.
Detail of Access and Usage by User	Following the account summary, this section provides detail information for each user about monthly access and usage charges, as well as call detail and associated Taxes, fees and assessments.
Additional Account Information	Depending on the activity in your account, this section includes summary information about payments, taxes, adjustments, and Nextel equipment billed at the account level.

Please fill out this form to pay your Nextel account balance using a credit card this month, or to change your billing address.

Credit Card Payment

If you would like to pay by credit card on an ongoing basis, please call Customer Care at 1-800-639-6111, or dial 611 from your Nextel phone, for additional information.
