Water Analyses**

Dear Carl:

Enclosed are copies of all of Moretrench's Serial Letters (Nos. 133, 134, 135, 136, 137, 138, 141, 142, 148) transmitting the results of water sample testing performed from mid-June through July 8, 2002. The most recent (August 5th) results are also enclosed on our letter dated August 13, 2002 addressed to you.

These letters were previously faxed to Brian Peters and Peter Rinaldi (fax numbers: 212-640-9202 and 212-640-9207) on the dates indicated on each cover sheet.

If you have any questions or need further information, please contact our office.

Very truly yours,
MORETRENCH AMERICAN CORPORATION
