RE: **World Trade Center Dewatering**
Contract No. 20020004649
MTA Job 01-4906
Water Analyses

Dear Brian:

Attached find a tabulation of the water sampling schedule for the dewatering discharge including the dates which we anticipate receiving recent samples. We have also included the MTBE concentration for both discharge sources on the date of the sample.

You will note that we anticipate receiving analyses for two additional samples prior to the slurry wall meeting next Tuesday.

Very truly yours,
MORETRENCH AMERICAN CORPORATION

John F. Donohoe
