125 Cedar Street Addendums

Project WTC_UNC

This is the addendum to the Cleaning Contractor Scope of Work. It should be added to the Table in Apartment 7S Row on page 5 (Contents of document fit into the 2nd Column.)

Project WTC_UNA
This is the addendum to the Monitoring Scope of Work.

Page 3 Asbestos Air Sample Collection and Analysis Item 3 Add (AHERA) after the word TEM.
It should read “shall report PCM, TEM (AHERA) and PCMe values for….”

You caught the other changes before the packages went out.

Thanks,
Penny
